HOW IT WORKS

Flat prices. No packages to decode.

1. **Check your date**
   Tell us your date and venue online, or book a free 30-minute intro call.

2. **Lock it in**
   A deposit holds your date. For a DJ booking it's $500.

3. **Plan from your phone**
   You get a private planning hub: your timeline, your music, every name we need to say right, and one message thread with our team.

4. **Enjoy the day**
   We run it. Your balance isn't due until 24 hours after your wedding starts, and that same window is yours to tell us how we did.

Book one service or stack all three. Most backyard and DIY-venue weddings end up wanting at least two.

Ceremony sound, cocktail hour, reception, and every transition between them. We MC as much or as little as you want: a bold host, or invisible until it matters.

- Sound for ceremony, cocktail hour, and reception
- MC duties, dialed up or down to taste
- Day-of coordination built in: we call the cues and keep your timeline moving
- Your private online planning hub
- Bring your Spotify playlists; we build the night from them
- A printed run sheet for your venue and vendors

$500 deposit holds your date. The rest is due 24 hours after your wedding starts.

02 THE MUSIC

Acoustic & Piano

Live guitar or piano for your ceremony or cocktail hour, played by real musicians in the room. Pair it with the DJ or book it on its own.

Solo one performer, guitar or piano	$500
Duo two musicians	priced on your intro call
Trio three musicians	priced on your intro call

- One hour is the sweet spot; two is the max
- With 30 days' notice, we learn up to three songs just for you
- The rest comes from our standing repertoire

The solo set is a flat $500, on its own or alongside the DJ.

03 THE BAR

Bar Service

Licensed, experienced bartenders for backyard and DIY-venue weddings without in-house bar staff.

One bartender	$250
Two bartenders	$400

- Your guest count decides how many you need; we settle it on your intro call
- The number we quote is the number you pay
- You provide the drinks. We staff the bar and pour.
- Book it on its own or add it to your DJ

We never sell or supply alcohol. At licensed venues we work under the venue's permit.
